

Amendment and Response  
U.S. Serial No. 10/719,622  
Filed: November 21, 2003  
Attorney Docket No: 847-072

### **AMENDMENTS TO THE SPECIFICATION**

Please replace the paragraph appearing immediately after the legend CROSS-REFERENCE TO RELATED APPLICATION with the following paragraph:

This application is related to [an] U.S. patent application Serial No. 10/719,768, entitled, "UNSEALED NON-CORRODING WET WASHDOWN MOTOR," identified further by Attorney Docket No. 847-073, and subject to assignment to the same assignee, which application is being filed on even date herewith.
